making to recover his lost ground in the Leipsic salient. Recently he has been effecting a great concentration of guns in this area to oppose our progress and support his attacks.

Last night he delivered an attack in considerable force on our new trenches south of Thiepval village. This attack was made by troops of the Prussian Guard and was preceded by a very heavy bombardment, which commenced at 7 p. m. The attack, launched at about 7:30 o'clock, was pressed with determination, but everywhere was repulsed with heavy loss to the enemy, and we maintained all our positions.

The success of our defence is largely due to the steadiness and determined gallantry of the Wiltshires and of the Worcestershire men, who, in spite of being subjected to very heavy bombardment, steadily maintained their positions and repulsed the determined as sault of the enemy.

Opposite Auchy we exploded two mines and occupied both the craters.
